patients in state institutions. Whereby, in the state hospitals, the county pays \$15.00 per day for the first thirty days and then \$3.00 per day after that and the state picks up the balance. Now, if they are in Beatrice, they pay \$10.00 a day for the first thirty days, \$3.00 a day after that and the state picks up the balance. This merely places the sexual sociopaths in the same class as all other patients in state institutions and I would move that LB 30 be advanced to E & R Initial.

**SPEAKER:** Is there any further discussion of the bill? The question is shall LB 30 be advanced from General File to E & R Initial. All those in favor vote aye. All those opposed vote no.
